

## **2025 Hell Survivors Charity Paintball Tournament**

This charity paintball tournament is organized to honor and support our first responders. The event aims to provide an enjoyable and competitive experience while promoting camaraderie and raising funds for a noble cause.

### **Field information:**

We are a family owned and operated business. The owner has been in the public safety field for over 20 years. He has served as a firefighter, critical care paramedic, and has an associate's in criminal justice.

This is our way of providing a fun time for those that serve and help give to a charity. Last year we hosted Ann Arbor FD vs PD in an event where PD won. When visiting, you will be able to sit in a covered seated area and watch the battles taking place on the "Grinder and Castle." Snacks and drinks are available in our concession stand. Games will also be placed out for family and friends that are accompanying you to enjoy while you are out playing. For those that are 21+ our Tiki Bar will be open for you to enjoy responsibly.

### **Other Donations**

Some of our home team members have offered to grill for the event. Determined to end veteran suicide, K9's for Warriors is the nations largest provider of trained service dogs to military veterans suffering from PTSD, traumatic brain injury and/or militarysexual trauma. They are also the highest rated veteran service dog organization in the nation. All Proceeds from this will be donated to K9's for Warriors.
